

Application for NexGold Community Grants Program

NexGold is developing the Goldboro Project within the Municipality of the District of Guysborough and has entered a Community Benefits Agreement with the Municipality to reflect the Company's commitment to benefit the Municipality and its residents and communities.

As part of the Community Benefit Agreement, NexGold has established a Community Grants Program whereby it has committed an amount of grant funding each year toward community groups, organizations, and community projects within the Municipality. Eligible organizations can use this form to apply for a minimum \$1000 grant from NexGold. NexGold's Community Grants Program shall be administered two times a year during the Spring and the Fall.

The Community Grants Program is a great way to obtain funding for important projects, programs, and/or events of your not-for-profit organization located in or serving the Municipality of the District of Guysborough. Applications will be reviewed by an application evaluation committee comprised of the Company and The Municipality to determine the suitability of any recipient of such grant and any related terms and conditions of such grant. Eligible applicants and applications are required to meet the following criteria:

- Be registered with the Province of Nova Scotia as a not-for-profit or charity organization in good status; and
- Be located within and serving residents of MODG with the exception of St. Mary's Education Centre* (If the organization is not located in MODG, please indicate how; and to what extent your organization serves residents of MODG.

Additionally, applications will be assessed and scored on the following:

- Identified financial need with a clearly stated use of potential funding.
- Scope of community benefit – identification of the various people/groups/stakeholders who will benefit from the activities your organization proposes to undertake with the funding.
